1. Cancellations must be made seven (7) days prior to event to receive a deposit refund. If the decision to cancel after this date is made by the person(s) coordinating the event, that party is liable for the full cost. In the event of inclement weather, the manager on duty will decide if the course is playable. **If course buyout (120 players) cancellation must be made 15 days prior.**
2. Any change in the number of golfers must be made 48 hours prior to the requested date. You will be responsible for payment of the tee times reserved on that date, this includes "no-shows".
Course buyout (120 players) excluded.
3. Please inform all players of their tee time and ask them to be ready to play at least fifteen (15) minutes prior to assigned tee time. Players are expected to observe the etiquette and rules of golf. **5 hours is the maximum allowed time for an 18-hole event.**
Players will be asked to leave the golf course and par will be scored as a result for the holes not finished.
4. A golf cart liability agreement is in affect for all golfers. In the event of a cart related accident for a group outing, the group coordinator designated in the agreement shall be responsible for providing the name, address and phone number of the person or persons involved in the accident to the Crandon Golf Course Manager.
5. The management reserves the right to refuse admittance or the use of the Crandon Golf Course for any of the following reasons: intoxication, violation or disregard of policies, abusive language, vandalism, or any behavior that is detrimental to the facility or its customers. **No refunds will be given.**
